Annual Charity Golf Tournament

Presented By

Please join us for the first annual benefit golf tournament with 100% of the proceeds donated to *Hope & Home* and scholarships for under-privileged kids to the *Pro Football Camp*.

Participating in each foursome will be 18 NFL athletes.

Monday, July 9, 2007
8:30 AM Shotgun Start

This tournament, hosted by The Club at Flying Horse and Classic Companies, affords you the opportunity to play golf on the area's newest and most prestigious private course. **Your \$1,000 fee will cover a foursome that includes one active or retired NFL player on the team.** 100% of the fee will be contributed to scholarships for kids to attend The Pro Football Summer Camp and for foster care and adoption services through Hope & Home.

This is a private, non-profit, Christian foster care and adoption agency dedicated to finding permanent homes for children in the foster care system.

The four day camp teaches football skills, along with character building and speed and agility techniques. These skills are taught by current and former NFL athletes and professional trainers.

To be part of this exciting tournament and contribute to these wonderful programs that directly benefit children in our community, be among the first to register as **registration is limited to the first 18 foursomes.**
