

Glenn Earl, Safty, Texans

Glenn Earl is excited to be returning for his 2nd year with Pro Football Camp. Glenn, S, 6'1" 215lbs., has already established himself as an aggressive, physical safty for the Huston Texans in only two years in the NFL. He played for the Fighting Irish of Notre Dame and was a preseason All-American and Jim Thorpe Award candidate as a senior. Despite rehabbing a knee injury early in his rookie season Glenn started 9 games and recorded 44 tackles at strong safty. During his second season Glenn played in 10 games and noted 34 tackles and two interceptions. Glenn looks to continue his aggressive style of play while leading the Texans secondary.
